

# NCCB SPRING PERFORMANCE NOTIFICATION

## Dear Parents and Ballet Students:

I am very excited to announce that our Spring Performance will be an adaptation of the ballet "La Bayadere" to showcase all our dancers' hard work in classes this year! Taking part in a performance of this nature is an extremely exciting and rewarding experience for these children that also requires a lot of work in the weeks ahead and commitment, dedication, and teamwork throughout the rehearsal process. The choreography is built upon at every rehearsal, and as such, students cannot be absent except for acute illness, injury, or family emergency. Please limit the number of conflicts as much as possible; I reserve the right to withhold students from the performance who show themselves unprepared, without return of fees. With that said, I strongly encourage you to have your child participate. They have grown so much through their technique classes, and a performance of this nature pushes them in new ways artistically and stylistically for the specific repertoire at hand. I enjoy watching how their participation in each show challenges their creativity and skill and elevates them to the next level with their peers.

The rehearsals will be held on Friday evenings, starting in March, between 4:00 – 7:00 p.m., with some solo rehearsals possibly held on weekday/end afternoons. \*Not all students will be called to the full rehearsal time.\* As the rehearsal process unfolds and based heavily on information received from conflict forms and which dances are being choreographed, I will send specific rehearsal times with as much advanced notice as possible. I try to limit our extra rehearsals for Level 1–3 (the majority will be taught in their class time until May). The performance fee comprehensively includes rehearsal time, props, sets, costumes, one tee shirt, one hard copy DVD, venue rental, sound equipment, lighting personnel, janitorial services, and admission. Optional extra video and extra tee shirt orders may be added onto the base fee, per your choice, and we will sell program ads again this year to cover extra costs.

### Performance Information:

**Mandatory Dress Rehearsals: Friday, June 8<sup>th</sup> (studio) 4 p.m. – 7 p.m. & Sunday, June 10<sup>th</sup> (theatre) 9:30 a.m.**
